WMCCAI's Conference & Expo is the largest gathering of community association professionals in the D.C. Metro Area and is the largest event across CAI chapters worldwide.

**2019 Conference & Expo** will be held at the **Walter E. Washington Convention Center** on **Saturday, February 23** with education sessions and over five hours of exhibit time. We have some special things planned to build excitement throughout the day on the show floor.

Over 200 companies exhibit at the event each year. In 2018, we had over 2,100 community association industry professionals attend Conference & Expo! More than half of the booths pre-sold and we have just begun the sales process for exhibitors! At this pace, we will sell out of booths by the end of 2018.
